

WANGDAO 365/395 HORSEPOWER SECTION (PORT TRACTION VERSION)

THE KING OF PORT TRACTION

WHEN BUYING, PAYING LESS IS REALLY SAVING YOUR MONEY

Ultra low vehicle purchase cost, shorter payback cycle and easier to make money. The same price configuration is the highest and the same configuration price is the lowest.

HIGH CONFIGURATION IS THE BEST

12" central-control large screen, smooth viewing, multi-functional steering wheel, scientific and technological intelligent driving, and highly-configured airbag seat to control easily.

COMFORTABLE FLAT FLOOR CAB

Among the models of the same level, there are few high roof and flat floor cabs, which are generally comfortable at home.
