**SW978K1Pro**  
Wheel loader

#### Highlights

Equipped to power productivity & reliability, SANY SW978K1Pro is a new, high-quality wheel loader, from the SW978K1Pro's advanced frame design, reliable & strong working.

More powerful  
Automatically transmission  
Constant power hydraulic system  
Wet disc braking system  
Pilot control, PTO function  
Intelligent Management  
Rear camera  
Digital weighing (optional)

#### Reliability & Durability

##### Engine and Transmission

The Weichai WP10 engine selected for SW978 has large displacement, power and driving force. The engine has a large market share, efficient economy, economical price, and easy purchase.

Transmission developed for SW978, a large-capacity 12-row fully automatic gearbox matched with a high-power engine. The vehicle speed increased by 10%, the torque force increased by 1000N, and the overall operating efficiency increased by more than 10%.
